The Montana Department of Revenue administers more than 30 state taxes and fees; establishes values for taxable property, including agricultural land, residential real estate, commercial real estate, forest land, business equipment, railroads and public utilities; supervises the operation of the state liquor stores and agencies and administers the laws governing the sale, taxation, and licensing of alcoholic beverages; and returns unclaimed property to its rightful owners.

The Information Technology and Processing Division serves as the operational foundation for the department's business units. Through secure, up-to-date computing and processing environments the division's Information and Technology Services Bureau (IT) and Processing and Retention Operations Bureau (PRO) contribute to the department's overall efficiency in document and payment processing while ensuring confidentiality, integrity, and availability of taxpayer data, whether in paper or electronic form. In providing these services, the division enables the department to meet its business objectives and facilitates its mission to serve the citizens of Montana. The division also includes the Administrative Team. The Processing and Retention Operations Bureau ensures secure handling and delivery of taxpayer information, payments, and data to the appropriate systems and staff. The bureau is organized into four units providing tax return and payment processing including Account Maintenance and Cashiering, Data Capture, E-Services, and Mailroom and Records Management. The Mailroom and Records Management Unit is responsible for the secure handling, delivery, and processing of department mail and taxpayer records.
